The members of the Special Committee on Route Numbering met on Friday, May 18. The following members were present: Jim Slifer, Illinois, Chair; Ray Bass, Alabama; Mike Behrens, Texas; and Donna Tamburelli of the AASHTO Staff.

The Committee considered 17 applications from 11 states. All applications were approved, with the exception of the following:

1. The application from Wyoming for the relocation of U.S. Route 87 was disapproved because there was no indication that the deficiencies noted on Wyoming S.R.193 will be corrected.

   Additionally, the Committee members suggested that Wyoming consider alternative routings for U.S. Route 87, such as:

   a. Continue U.S. Route 87 on Interstate Route 90 north of Buffalo, past the landslide area, than back onto existing U.S. Route 87 via Wyoming S.R. 342; or

   b. Relocate the entire length of U.S. Route 87 onto Interstate Route 90 from north of Buffalo to Sheridan.

2. The joint application from the states of Kentucky and Ohio regarding U.S. Route 62/68 was approved with comment. Ohio has advised the committee members that they will erect directional signing back to U.S. Route 62/68 in recognition of the Business Route 62/68 on the Kentucky side of the river.

 Elimination of U.S. Route 62/68
 APPROVED WITH COMMENT
 (State will erect directional signing
 back to U.S. Route 62/68 in
 recognition of the Business Route
 62/68 on the Kentucky side of the
 river.)
 Eliminate the existing U.S. Route 76
 Business designation between its
 intersections with U.S. Route 76 in the city
 of Newberry.

Beginning at the intersection of present U.S.
 Route 17 and Interstate Route 64 near the
 city of Chesapeake, then easterly over I-64
 for 4 miles to the intersection of State Route
 104, then southwesterly over S.R. 104 for 7
 miles to the intersection of present U.S.
 Route 17.

Redesignate present U.S. Route 17 between
 the above points as U.S. Route 17 Business.

Beginning at the intersection of present U.S.
 Route 87 and State Route 193 north of
 Buffalo, then northerly over S.R. 193 for 6.2
 miles to the intersection of present U.S.
 Route 87 south of Sheridan.

Beginning at the intersection of present U.S.
 Route 62/68 and an existing facility south of
 Maysville, Kentucky, then northwesterly and
 northeasterly over the facility for 7 miles to
 the intersection of present U.S. Route 62/68
 at the Kentucky/Ohio State Line northwest
 of Maysville.

Redesignate present U.S. Route 62/68
 between the above points as U.S. Route
 62/68 Business.

Eliminate the existing U.S. Route 62/68
 designation in Ohio between its intersections
 with the proposed relocation of U.S. Route
 62/68 at the Ohio/Kentucky State Line in
 north Aberdeen, Ohio and present U.S.
 Route 62/68 at the Ohio/Kentucky State
 Line in south Aberdeen, Ohio.
