Mr. Joe Prather  
Secretary  
Kentucky Transportation Cabinet  
200 Mero Street  
Frankfort, KY 40622

Dear Mr. Prather:

The New Year 2008 has just started and we wish to invite you to submit revisions, additions, or deletions to your US Route Numbering System for your member department. The Special Committee on US Route Numbering meets prior to the Standing Committee on Highways' meeting at the AASHTO Spring Meeting in Branson, Missouri in early May 2008.

To apply in time for this meeting please use the current application that is available on the [US Route Numbering](#) webpage. We request that you send your application(s) electronically to [usroutes@ashto.org](mailto:usroutes@ashto.org) in the AASHTO office by **Friday, March 21, 2008**. This allows the special committee to review applications at least 30 days prior to the meeting. Applications received after March 21, will be held and will be placed on the agenda for the AASHTO annual meeting.

AASHTO policy statements, the current application form and a checklist can be found at the [US Route Numbering](#) website – [References](#). Please send your application(s) electronically with color maps only to [usroutes@ashto.org](mailto:usroutes@ashto.org). After USRN reviews the applications, they will report their findings to the Standing Committee on Highways and ask for SCOH's approval at the annual meeting or by mail ballot. SCOH meets in May 2008, to vote and conduct other business.

We appreciate your attention. Please call Marty Vitale at 202.624.5862, if you have any questions or concerns.

Sincerely,

A handwritten signature in black ink that reads 'A R Kane'. The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
